

# A Word's Worth

March, 2017

## Judy's Jots...

It seems that 2017 just came and we are now in the third month of the New Year. On March 12, Daylight Saving Time begins, so remember to set your clocks forward one hour the night before. March 20th is also the beginning of spring and with our mild winter many people are already seeing new growth in their flower beds. This is a time to plan vegetable and flower gardens. The library has numerous titles to help you with your garden projects. The youth of our community will be involved in warm weather sports activities. You might want to check out our books and DVDs on different sports from being the player to serving as the coach of a team. March is also National Women's History Month so you might to browse our biography section for an interesting book.

The Friends of the Library group has set April 28th and 29th for their annual book sale. The library is now accepting books, CDs and DVDs to be placed in the sale. Please no Reader's Digest Condensed books or sets of old encyclopedias. If you would like to help with the sale in any way, please come to the Friends next meeting which will be held at the library on Monday, March 20 at 5:30.
