

A Word's Worth

May, 2018

May Means:

Former Olney native Kenna Quinet will present a program Thursday, May 3 at 6:30 pm titled "The Will to Kill". Kenna has spent 35 years studying and teaching homicide issues. This program is to support the efforts of the local Shelter Friends organization.

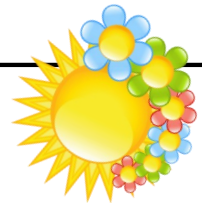

The 2018 Summer Reading Program "Reading Takes You Everywhere" starts with pre-registration beginning the week of May 21. The children will read to support the local Meals on Wheels program. There will be a balloon launch to reach out to others and encourage reading this summer.

We want to also remind everyone of our added "notary public" service. We have 2 notaries on staff available during regular business hours for your convenience.

Enjoy the beautiful spring weather that finally arrived.
